

NORTHERN COLORADO MEN'S BASKETBALL

2015 TEAM CAMP

JUNE 11-13

»» WHAT PEOPLE ARE SAYING

"Hands down the best Team Camp we have been to. Great competition, excellent facilities, and we were treated exceptionally well by the UNC Staff. Our kids loved the experience and we'll be back next year."

— Nate Schmitt, Head Coach
Wichita County HS, Kansas

"My players love going to Northern Colorado for team camp. We have found it to be the best accommodations, the best food, and as good competition as any other team camp. In addition, the referees for the games are better and most like what we see in the regular season. The facilities allow us to watch other games without leaving the campus. All in all, we feel that this is the best team camp in the state."

— Ray Van Heukelem,
Boy's Varsity Coach
Denver Christian HS

"UNC basketball camp offers a great environment for building team unity. It has been an essential part of our summer for the past three years!"

— Vince Valdez, Head Coach
Abraham Lincoln HS, Denver

NORTHERN COLORADO MEN'S BASKETBALL

2015 TEAM CAMP

JUNE 11-13

MEN'S BASKETBALL 2015 TEAM CAMP

I believe our team camp has grown to be one of the best in the region. Our facilities combined with our convenience and dedication to make it great experience for the campers and coaches is what has separated us. It has become a great recruiting tool as well, giving us an opportunity to see players compete while showing them all the University of Northern Colorado has to offer.
